PARTNERS

EACM is supported by over 30 partner churches, local businesses, grants, individual donors, and Louisville Metro Government. We are a Dare to Care Food distribution site and member of the Association of Community Ministries.

Dear Partners and Supporters,

2025 will be remembered as a year where our community demonstrated its love for our neighbors with overwhelming generosity. EACM experienced increased support for direct emergency assistance for neighbors needing a hand-up, increased volunteers stepping up to provide service - especially in our English learning program, and significantly increased food and personal care items to keep our pantry stocked.

The numbers of volunteer hours, food donated, people served, meals delivered, and utility disconnections and evictions stopped all increased in 2025. At EACM we like to say, **"it's not about numbers, it's about our neighbors"**. All of these numbers represent individuals and families that sought help in a time of need, afraid that they might be alone in their struggle. But they weren't. And it's the tears of joy and relief, and the hugs from renewed hope that we count.

We give thanks to everyone who shared from their hearts to ensure that our community is empowered to be fed, sheltered, and safe.

Sincerely,
Carrie Gerard, Executive Director
